

Star Binder

 A STAR binder is a special notebook that your child will carry to and from school everyday.

 STAR is an acronym for Students Taking Action & Responsibility

 The STAR binder will help your child stay organized and keep you in touch with me.

STAR Rules

-  Take care of your STAR; it will be used all year!
-  Clean out the “Class work” pocket every evening.
-  Take your STAR home everyday and bring it back each morning.
-  Keep your STAR clean – do not eat or drink in front of your STAR!
-  Show your STAR to your parents everyday—they will be so proud of you!
-  Please place any money or any note for me (field trips, lunch, etc.) in the **Zippered Pocket Pouch**. The money should be in an envelope with child’s name.
-  Keep your spelling words for the week in the binder and practice them at home.
-  Place your math papers for the week in the binder, complete, and return to school by the following Monday.
-  Keep track of the minutes on the “By Gum We Like to Read” paper and show me to earn money or gum on Monday.
